Application deadline: one month before camp

Here at the Northern California Nevada Conference (NCNC) of the United Church of Christ (UCC), we care deeply about the faith formation and integrated community of our children and youth. We don't want income or finances to be a barrier to getting to Camp! To alleviate financial barriers for Youth we have our **Camperships; financial aid to attend NCNC Camp programming**. We offer up to one third the costs of camp programs. Should you need additional funds, we recommend connecting with your local Association and church communities – and we are happy to help you in obtaining their contact information. Additionally, we offer payment plans for families that are able to pay the full amount over a scheduled period of time.
