All are invited to the installation of Rev. Nate Klug
as Pastor of First Congregational Church of Redwood City, UCC.

Enjoy fellowship, great music, and
words of inspiration from a variety of colleagues during the worship service
followed by a BBQ dinner!

Clergy are invited to wear red stoles.
Our style is relatively informal and our worship space is
somewhat unique, so clergy will not robe or process.

RSVP's are appreciated but not required:

We share a driveway with a Smart & Final supermarket. Drive through their parking lot to the second lot. We are located at the far end of the second parking lot in what looks like an office building.
