Your church is invited to be part of the Raising Voices To God celebration at the NCNC Annual Gathering at Sonoma State University. Due to popular demand, there will be having two evenings of entertainment from the many talented groups and individuals within our conference.

The evenings of Friday, June 16th & Saturday, June 17th, the meeting hall will be filled with the music, voices and dances of celebration. Friday evening will include a special memorial presentation in honor of the late Rev. John Deckenback, former staff with NCNC.

If you would like to have your Youth Choir or Praise Team or Band or Dance Team or Soloist perform at Annual Gathering, please complete the attached forms and return. There is scholarship money available but you must have a minimum of 2 church members officially registered for the Annual Meeting to qualify for this scholarship. We encourage one of these members to be your pastor. There is no cost (except parking) if your group intends to only be there for their performance.

Be part of this once-a-year gathering of all our Northern California Nevada Conference churches as we come together to be One In The Spirit
