Greeting from Chinese Congregational Church!

For years when it rained in San Francisco, the bucket, tarps and towels have come out in full force to catch the water from our sanctuary's leaky roof and skylight. It's time to **Raise the Roof** and fix it!!

The wheels have been put into motion to replace the roof and skylight. We hope to offset this cost and celebrate our church community at the same time.

The entire congregation is invited to join our church wide effort to fix our leaky roof and skylight. Proceeds from this event will go to the building fund to help with the cost of this huge project!
