

Tax Exempt Status information

The process for obtaining confirmation of tax exemption status has changed. Instead of the Conference office issuing a letter, now the national setting will provide a letter.

Cynthia Gaffney handles the printing of all Federal Exemption (501c3) letters for UCC churches and conferences. Any church can send a request to her for a letter, and the letter and accompanying documents will usually be sent within 24 hours of the request. Her email is gaffneyc@ucc.org
