E. Discernment Sessions

1. Discernment Sessions will be provided for all Proposals prior to the business session of the Annual Meeting.
2. Purpose: Discernment Sessions are designed to increase dialogue in the Conference by giving people a chance to talk about the issue in depth and in a less formal setting which is not possible during the formal meeting. The Discernment Session is to inform delegates about issues that will be voted on. Discernment Sessions can also help delegates become better prepared to strengthen a proposal once it is presented in the formal meeting.
3. Structure: The Discernment Sessions Facilitator sets the structure for the Discernment Sessions, monitors the time, and facilitates the meeting so that people have the opportunity to ask questions, express views, etc. in an atmosphere which is respectful of all opinions. A Recorder, assigned by the Facilitator, may keep notes as may be helpful for the Discernment Sessions Facilitator.
4. If the Annual Meeting is conducted virtually, discernment session(s) will be provided at least two and not more than four preceding weeks. The purpose of virtual discernment sessions is the same as in-person sessions.

5. After the Discernment Sessions and prior to the Annual Meeting:
 - a) Facilitators for Discernment Sessions on Administrative Actions advise the Moderator who will be the Presenter.
 - b) Facilitators for Discernment Sessions on Position Statements advise the Moderator who will be the Presenter.
 - c) Facilitators for Discernment Sessions on Issues of Concern advise the Moderator if there is any report to the Annual Meeting on an Issue of Concern.
6. Based on the reports from the Facilitators of Discernment Sessions and prior to the beginning of the Annual Meeting, the Moderator announces how time will be allotted for each Proposal during the Annual Meeting. Some business items may require the setting of context and background so that they can be fully understood by the Annual Meeting and others may be self-explanatory.

F. The Annual Meeting – General Rules

1. The Moderator (or Vice Moderator) (hereafter “Moderator”) will chair the Annual Meeting in accordance with these Standing Rules.
2. Only delegates can vote, and they must display their delegate name tag in order to vote.
In virtual space, electronic voting ensuring that only one delegate per connection may vote will be used.
3. Voice without vote will be automatically granted to all our ecumenical and interfaith visitors and to members of national and regional settings of the UCC.

[Each sign will bear the printed name of its color for easier identification.] The Moderator will recognize the person and ask the person to identify herself/himself by name, church of membership, and Association, or as a visitor from another setting of the UCC, or another community of faith.
In virtual space, those who wish to speak on a proposal will indicate their desire to voice support, opposition, or ask a question in text chat to the meeting host who will identify, in order received, their request to the moderator.
5. Only voting delegates may initiate action from the floor of the meeting. Delegates place in writing any action before they present it, following the method announced by the moderator in the meeting, so that there will be an accurate record.

9. Votes on all Position Statements and Administrative Actions will be reported in the minutes and other accounts of the meeting by numerical or majority results. Discussion and referrals related to Issues of Concern will be reported in the minutes.
10. If anyone in attendance wishes to distribute material to all present, she/he should (1) sign the material or otherwise note who is distributing it, and (2) submit the material to the Business Committee at least two weeks prior to the annual meeting for approval before distribution. If the Presenter of the Proposal does not accept the Amendment as “friendly,” it is discussed in the same format as Section 5, above, and when the Moderator ends discussion on the Motion to Amend, a vote is taken.
