The Northern California Nevada Conference UCC declared itself to be a Just Peace Conference, voted at the 1988 Annual Meeting with this resolution:

The Northern California Nevada Conference of the United Church of Christ declares itself to be a Just Peace Conference and defines Just Peace as the interrelation of friendship, justice, and common security from violence.

In doing so, we,

- 1) Affirm the decision of General Synod XV to declare the United Church of Christ to be a Just Peace Church*
- 2) Affirm the Just Peace work already alive in our Conference in response to that decision, and*
- 3) Strengthen our regional witness for a Just Peace.*
