

Shelterwood Collective
1708 Ninth St, Berkeley, CA
May 19th, 2020

Dear United Church of Christ Board Members and Delegates,

Shelterwood is an organization dedicated to the ongoing stewardship of land, community, and culture. Should we take over the stewardship of Camp Cazadero, part of this mission will involve renting out the camp to community building groups and organizations on a regular and recurring basis. In particular, as we are committed to preserving the legacy of the camp, we would like to rent to the United Church of Christ and their partners so that the well established summer camps can continue to support the local community.

We are deeply committed to ongoing relationship building and hope we can work with you to shape the future of Camp Cazadero for the benefits of all.

Sincerely,

Nikola S. Alexandre

Nikola S. Alexandre, Executive Director
