

## **NCNC Leaders 2024-2025**

Updated: 6/11/2024

CONFERENCE COUNCIL – NCNC priority and policy setter; provides mission-based leadership and strategic governance; manages the Conference’s physical and financial assets and acts as the Conference between Annual Gatherings. Commitment is for a four-year term, about nine meetings per year, plus active participation on Council Sub-Committees and some communication between meetings.

The Moderator and Vice-Moderator of the Conference are voting members of the Council. Each Association elects two members of the Council; these, plus eight members-at-large are elected by the Annual Meeting, at least four of whom must be under the age of 30 when elected.

Associate Members have voice without vote on the Council.
